

Colorado ACEP Board of Directors
Board Candidate Data Sheet
Eric B. Olsen, M.D., FACEP

Name: Eric B. Olsen
Address: 4459 Eagle Lake South
City, State, Zip: Fort Collins, Colorado 80524

Professional Positions: Physician/Partner with the Emergency Physicians of the Rockies (EPR), currently serving Poudre Valley Hospital (Ft. Collins, CO) & the Medical Center of the Rockies (Loveland, CO). Within EPR I serve on the Board of Directors and as the point-man for Reimbursement issues.

Education & Certification:

- Medical School: University of Colorado, Denver, 1990
- Internship: Transitional Internship, Presbyterian-St. Lukes Medical Centers, Denver 1990-1991
- Residency: George Washington-Georgetown Combined Residency in Emergency Medicine, Washington, D.C. 1991-1994
- ABEM Certification 1996
- ABEM Recertification 2006

Colorado/National ACEP Activities:

Colorado ACEP Board of Directors 2009-2011
EMRA Board of Directors 1991-1994
EMRA President 1992-1993
ACEP Reimbursement Committee 1993-1994

Years in Colorado:

Emergency Medicine Practice since September 1995.
Resident of Colorado from 1972-1982, 1996-present.

Candidate Statement:

I became an ACEP member as a CU medical student a long time ago and it has been quite an education. I have tried to be involved with organized EM at different times throughout my career. First as a member of the EMRA Board including a year as it's president and later as a member of the Reimbursement Committee. My greatest lesson over the years has been whether you intend it, or even realize it, ACEP plays a significant role in all of our careers.

We are fortunate in Colorado to have a strong state chapter that clearly serves as our advocates, with the charge to try and make the practice of EM in Colorado better for all of us. Newsletters, educational symposia, practice guidelines, articles on reimbursement and legislative representation are part of the many benefits that our chapter has provided for us. During the past year of attending CO-ACEP meetings I am comfortable that these charges have been well stewarded.

Therefore, I would be honored to again bring representation from Northern Colorado to Colorado ACEP Board and help promote our mission.
